

## DATA SUBJECT RIGHT TO OBJECT FORM

You should complete this form if you object to us processing any personal data we hold about you.

Please note that you are not obliged to complete this form to make a request, but doing so will make it easier for us to process your request quickly.

You are entitled to receive this information under the EU General Data Protection Regulation (GDPR). We will also provide you with information about any processing of your personal data that is being carried out, the retention periods which apply to your personal data, and any rights to rectification, erasure, or restriction of processing that may exist.

We will endeavour to respond to your request promptly within one month of receiving your request or upon receipt of any further information we may ask you to provide to enable us to comply with your request (whichever is the latest).

However, if we consider your request to be complex, due to the size of data requested or the number of requests you have made, we may need an extension of time. If this is the case, we will notify you of the reason for delay within one month of receiving your request and shall process your request within two months from the date of receipt.

We reserve the right in accordance with Article 12 of the GDPR to charge a fee or refuse the request if it is deemed to be “manifestly unfounded or excessive”.

We will endeavour to cease processing your data, but there may be circumstances that make it necessary to continue processing. For instance, if there are compelling legitimate grounds for processing which outweigh the interest, rights and freedoms of data subjects or there is a requirement to process the data to assert legal rights.

Where it is not possible to grant your request, we will notify you of the reason for taking no action. Under the GDPR you are entitled to make a complaint if you are dissatisfied with our decision. Where this is the case you can complain to the Information Commissioner's Office at <https://ico.org.uk/concerns/> and/or seek redress through the courts.

The information you supply in this form will only be used for the purposes of identifying the personal data you are requesting and responding to your request.

To ensure prompt management of your request please enclose the following documents to allow us to verify your identity:

- Evidence of your identity (see section 2)
- Evidence of the Data Subject's identity (if different from above)
- Authorisation from the Data Subject to act on their behalf (if applicable)

In order to protect personal data, we require proof of identity to ensure we are releasing data only to the correct person.
